

DEIMOS

Simplifying Your Digital Transformation

Zoho provides comprehensive solutions for every aspect of your business, from CRM to finance, HR, and productivity tools. Deimos enhances this with hands-on expertise in deployment, integration, and optimization, ensuring your business gets the most out of Zoho's all-in-one platform.

Why We Recommend Zoho

Unified Business Platform

Zoho integrates a wide range of business tools—including CRM, finance, HR, marketing, and project management—creating a cohesive platform to streamline operations and improve productivity.

Customizable & Scalable

Zoho's suite adapts to your needs with customizable features and scalability that grow with your business, whether you're a startup or an enterprise.

Data-Driven Insights

Zoho's advanced analytics tools offer actionable insights, empowering data-driven decisions to drive performance and growth.

Enhanced Collaboration

Tools like Zoho Workplace enable seamless collaboration through shared documents, chat, and video meetings, keeping your team connected no matter where they are.

Top-Tier Security

With stringent security protocols, Zoho protects your data through encryption, access controls, and compliance with global privacy regulations.

Why Partner with Deimos?

Zoho Expertise & Guidance

As experienced Zoho integrators, Deimos offers customised guidance for implementing and maximising Zoho tools across your business.

End-to-End Service

From consultation and architecture to deployment, support, and ongoing optimization, Deimos provides a complete solution for Zoho adoption.

Flexible Billing Options

We simplify payments with flexible billing, available in ZAR, Naira, KES, XOF, or USD, to make managing your Zoho investment straightforward.

Single Point of Contact

Deimos handles all aspects of Zoho—from procurement and licensing to support—so you can focus on your business.

Expert Engineering Team

Our certified specialists ensure seamless integration with Zoho, delivering a tailored solution that aligns with your business goals.

Global Presence

Deimos serves clients across Africa, Europe, and the Middle East with offices in South Africa, Nigeria, and the UK, bringing Zoho expertise closer to your region.

What's the Cost of these Value-Adds?

It's FREE. Deimos doesn't charge for hygiene reviews, advice, procurement assistance, billing, or funding/discount requests. Zoho clients also benefit from discounted rates on software engineering, DevSecOps, and business automation services.
